

Hamdard Institute of Medical Sciences and Research (HIMSR) & HAH Centenary Hospital

The Hamdard Institute of Medical Science and Research (HIMSR) was a long cherished dream of the founder *Hkm Abdul Hameed sahib* which was realized in July 2012 as a result of untiring efforts of the Vice Chancellor, Dr. G. N. Qazi. The medical college, HIMSR, admitted its first batch of students in the same year through an entrance test conducted by the University, and the college was inaugurated by *Shri Ghulam Nabi Azad*, the then Cabinet Minister, Ministry of Health and Family Welfare on 11th September 2012. The medical college associated with a 350 bed hospital, The *Hkm Abdul Hameed Centenary (HAHC) Hospital* has gained recognition in a very short period of time and is known for its highly qualified and experienced faculty and infrastructure which include a world class Blood Bank, a Preventive Cardiology Unit, a Centenary Cancer Centre and specialized services like Paediatric Surgery, Laparoscopic Surgery and Hepatology. The fact of the matter is that the edifice of HIMSR is emerging on such robust bedrock.

The faculty of HIMSR is carefully selected by national level experts through an interview process ensuring excellent quality of the teachers. The teaching aids are contemporary, networked, interactive and upgradable. The departmental museums are diligently laid out to be both visually appealing and pertinently informative. The HIMSR library is very well stocked with the latest editions of medical books and indexed journals. It has 3500 books, more than 40 National and International Journals and all the publications of WHO under Global Subscription Package. A separate e-Information and Resource facility is available for the students and the faculty having 35 computer terminals which can be used simultaneously.

HIMSR library is fully equipped to meet the requirement of Medical students and Faculty. The library has books and Journals in all the subjects of Medical Sciences viz 3500 books, more than 40 National and International journals and all the publications of WHO under Global Subscription Package. A separate e-Information and Resource facility, having 35 computer terminals which can be used simultaneously is also available for the students and the faculty, having 35 computer terminals which can be used simultaneously, provides all the electronic resources.

At HIMSR, great emphasis is put on conducting research and publishing scientific papers by the faculty. Regular up-gradation of professional knowledge is facilitated by regular clinical meetings, seminars, symposia etc. A new super-specialties hospital with state-of-the-art facilities is coming up in the campus.

HAKEEM ABDUL HAMEED CENTENARY HOSPITAL

Hakeem Abdul Hameed Centenary Hospital (HAHCH) is a 350 bedded tertiary care teaching Hospital of HIMSR. The hospital is centrally air-conditioned, elegantly designed three story building with ample lighting and ventilation.

HAHCH provides state of art speciality and super-speciality services through highly qualified and dedicated team of doctors and paramedical staff. It provides round the clock emergency services in its Casualty department, which is equipped with all state-of-the-art monitoring and life saving equipments. The hospital provides 24 hours Laboratory, Radiology, Blood Bank and Ambulance services.

Intensive care services are provided for critically ill medical, surgical, pediatric and neonatal patients through a team of highly trained and motivated staff. In addition the hospital has four fully equipped major operation theatres and two minor operation theatres. The hospital encourages continuing medical education programs and visits by Doctors and Nurses from all over the globe. The hospital is also providing the following services:

- Oncology surgeries and Day care chemotherapy
- Dialysis facility through five sophisticated machines
- Urology Services (PCNL & URS)

- Preventive Cardiology, Tobacco cessation, Diabetes, Thyroid, Rheumatology, Dermatology, Hepatobiliary, Laparoscopic and colorectal clinics on designated days
- Laproscopic cholecystectomy and laparoscopic hernia repair
- Endoscopic sinus and microscopic ear surgeries
- Squint and cataract surgeries
- Joint replacement and arthroscopic surgeries
- Rehabilitation and physiotherapy services, Psychiatric counseling and de-addiction therapy
- Dental treatment and maxillo-facial surgeries
- Advanced care delivery suits
- Free immunization for pregnant women and children, free contraceptive advice, Oral contraceptive drugs, MTPs, Copper T-insertion etc
- Free camps on Sundays in all disciplines in the hospital and in the community as part of outreach program
- The hospital truly carries forward the “Hamdard Philosophy by providing patient care with empathy and compassion at affordable rates” and is committed to social commitments.

Programs of study and selection procedure

MBBS, Bachelor of Medicine and Bachelor of Surgery

[A candidate applying for admission to MBBS in Jamia Hamdard may also apply to other courses in various faculties including B. Pharm., BUMS and other UG courses (Biological Science group only) by indicating the order of preference in online application form. Admission shall be made on the basis of AIPMT Score/Rank in 2016]

Note: The information/instruction as well as guidelines as given herein below are exclusively and specifically meant for admission to M.B.B.S. No part of the general guidelines for admission to other programs of the University shall be applicable to M.B.B.S. Programs of study offered by HIMSR other than M.B.B.S. shall be governed by the General Guidelines of the University.

Program of study:

MBBS

Study Period:

Each student shall undergo a period of study extending over 4 ½ academic years divided into 9 semesters (of 6 months each) from the date of commencement of study for the subjects comprising the medical curriculum to the date of completion of examination and followed by **one year compulsory** rotating internship.

Total number of seats:

100

Allocation of Seats in various categories:

I)	General category (Unreserved) seats	42
II)	Reserved category Seats (For Muslims)	43
III)	Management Category Seats	15

Note: 3% of the total annual intake of seats is reserved for candidates with Locomotory disability of lower limb, as per MCI norms, except management seats.

1. Eligibility conditions:

1.1 Age limit: Candidate should complete the age of 17 years on or before **31st December 2016** (Candidates born on or after 1st January 2000 will not be eligible)

1.2 Qualifying examination: Candidates shall be admitted to first year of MBBS course only if s/he has passed qualifying examination as under,

- a. The Higher Secondary Examination or the Indian School Certificate Examination which is equivalent to 10+2 Higher Secondary Examination after a period of 12 years study, the last two

years of study comprising of Physics, Chemistry, Biology and Mathematics or any other elective subject with English at a level not less than core course of English as prescribed by the National Council of Educational Research and Training after the introduction of the 10+2+3 years educational structure as recommended by the National Committee on education.

Note: Where the course content is not as prescribed for 10+2 education structure of the National Committee, the candidates will have to undergo a period of one year pre-professional training before admission to the Medical College.

Or

b. The intermediate examination in science of an Indian University/Board or other recognized examining body with Physics, Chemistry and Biology which shall include a practical test in these subjects and also English as a compulsory subject.

Or

c. The pre-professional/pre-medical examination with Physics, Chemistry and Biology, after passing either the higher secondary school examination, or the pre-university or an equivalent Examination. The pre-professional/pre-medical examination shall include a practical test in Physics, Chemistry and Biology and also English as a compulsory subject.

Or

d. The first year of the three years degree course of a recognized university, with Physics, Chemistry and Biology including a practical test in three subjects provided the examination is a "University Examination" and candidate has passed 10+2 with English at a level not less than a core course.

Or

e. B.Sc. examination of an Indian University, provided that he/she has passed the B.Sc. examination with not less than two of the following subjects Physics, Chemistry, Biology (Botany, Zoology) and further that he/she has passed the earlier qualifying examination with the following subjects – Physics, Chemistry, Biology and English.

Or

f. Any other examination which, in scope and standard is found to be equivalent to the intermediate science examination of an Indian University/Board, taking Physics, Chemistry and Biology including practical test in each of these subjects and English.

Note: Marks obtained in Mathematics are not to be considered for admission to MBBS.

1.3 (a) Candidates must have passed the subjects of Physics, Chemistry, Biology and English individually and must have obtained a minimum of 50% marks taken together in Physics, Chemistry and Biology at the qualifying examination as mentioned in the clause 1.2.

(b) In respect of candidates with locomotory disability of lower limbs the minimum marks in qualifying examination in Physics, Chemistry and Biology taken together in qualifying examination shall be 45% instead of 50% as above.

2. Procedure for selection:

The selection for admission to the MBBS program, other than Management quota in Jamia Hamdard shall be based strictly on merit having relevant and valid AIPMT score/rank (conducted by the CBSE) from amongst the candidates who apply in Jamia Hamdard on the prescribed application form issued by Jamia Hamdard for admission to MBBS and who satisfy the eligibility conditions prescribed by the MCI and as given in Clause-1 above.

The selection for admission to MBBS under the management quota shall be made from amongst the candidates who apply in this quota on the prescribed application form issued by JH for admission to MBBS and satisfy the minimum requisite eligibility criteria/conditions prescribed by the MCI as given in Clause-1 above, at the discretion of JH.

Provided that if any seat(s) remain vacant in the Management quota, the competent authority of Jamia Hamdard shall be at liberty to call for fresh application(s) for such vacant seats which shall be filled from amongst the candidates who apply in response to the same for admission to MBBS and who satisfy the minimum requisite eligibility criteria/conditions as prescribed by the MCI or as given in Clause-1 above.

i. The merit list shall be prepared by Jamia Hamdard as per AIPMT score/rank of the candidates. The candidates applying in Jamia Hamdard on the prescribed application form are required to clearly indicate their AIPMT Registration Number and Roll Number.

- ii. In order to be eligible for admission to MBBS course for all category seats except Management Quota, for academic year 2016-17, it shall be necessary for a candidate to obtain minimum marks at the 50th percentile in AIPMT examination held for the said academic year. However, in respect of candidates with locomotory disability of lower limbs, the minimum marks shall be at 45th percentile.
- iii. 3% seats of the annual sanctioned intake capacity shall be filled up by candidates with locomotory disability of lower limbs between 50%-70%.

“Provided that in case any seat in this 3% quota remains unfilled on account of unavailability of candidates with locomotory disability of lower limbs between 50%-70% then any such unfilled seat in this 3% quota shall be filled up by persons with locomotory disability of lower limbs between 40%-50% before they are included in the annual sanctioned seats for General Category.”

“Provided that the eligibility criteria for admission to persons with locomotory disability of lower limbs in terms of clause 2(iii) above will be a minimum of 45 % marks instead of 50 % taken together in qualifying examination and competitive entrance examination for admission in MBBS course.”

- iv. Closure of admission will be as per announcement of the University at its website.

“Provided further that this entire exercise for admissions shall be completed by 30th September and in no case any admission will be made in the MBBS program after 30th of September, which is the last date of admission in MBBS, including admissions in management quota.”

- v. The candidate must have passed the qualifying examination on or before the date of admission. Candidate not reporting for admission and completing the admission formalities including deposit of fee etc. on the date and time fixed for admission, would forfeit his/her claim for admission and the seat so vacant will be offered to the next candidate on merit basis subject to his/her eligibility.

The candidates having result awaited / Supplementary / Compartmental Examination / Essential repeat in the qualifying examination shall not be admitted to the MBBS Course and no provisional admission shall be granted.

- vi. The candidates are required to fulfill all the eligibility criteria in terms of the education, age and such other eligibility conditions including deposit of the fee on the date and time of admission as specified in the selection list of admission.

Medical Examination: The selected candidates shall have to undergo medical examination by a Medical Board set up by the HIMSR, consisting of Faculty members of the Institute. If, in the assessment of the Medical Board, a candidate is found medically unfit to be admitted to the course, then his/her candidature for admission will be rejected and he/she will not be admitted. The decision of the Board in this regard shall be final. The university shall not consider any other medical certificates except the certificate given by the Medical Board of HIMSR. In case, of such forfeiture the seat fell so vacant, shall be offered to the next candidate in order of merit.

Training Period and Time Distribution

1. As already stated, every student shall undergo a period of study extending over 4 ½ academic years divided into 9 semesters of 6 months each from the date of commencement of his/her study for the subjects comprising the medical curriculum to the date of completion of examination and followed by one year compulsory rotating internship. The period of four and half years is divided into three phases as follows:-

(a) Phase-1 (2 semesters) – consisting of Pre-clinical subjects (Human Anatomy, Physiology including Bio-Physics, Biochemistry and introduction to Community Medicine including Humanities). Besides 60 hours for introduction to Community Medicine including Humanities, rest of the time shall be somewhat equally divided between Anatomy and Physiology plus Biochemistry combined (Physiology 2/3 and Biochemistry 1/3)

(b) Phase-II (3 semesters) – consisting of para-clinical/clinical subjects.

During this phase teaching of para-clinical and clinical subjects shall be done concurrently.

The para-clinical subjects shall consist of Pathology, Pharmacology, Microbiology, Forensic Medicine including Toxicology and part of Community Medicine.

The clinical subjects shall consist of all those subjects detailed under Phase III.

- Out of the time for para-clinical teaching approximately equal time be allotted to Pathology, Pharmacology, Microbiology and Forensic Medicine and Community Medicine combined (1/3 Forensic Medicine and 2/3 Community Medicine).

(c) Phase-III (continuation of study of clinical subjects for 7 semesters after passing Phase-1)

The clinical subjects to be taught during Phase II and III are Medicine and its allied specialties, Surgery and its allied specialties, Obstetrics and Gynaecology and Community Medicine.

2. Admission process will be initiated in such a way that teaching in first semester starts by 1st of August each year.
3. Supplementary examination may be conducted within 6 months so that the students who pass can join the main batch and the failed students will have to appear in the subsequent year.

Essentialities for qualifying to appear in professional examinations

(1) **ATTENDANCE** 75% attendance in a subject for appearing in the examination is compulsory inclusive of attendance in non-lecture teaching, i.e. seminars, group discussions, tutorials, demonstrations, practicals, hospital (Tertiary, Secondary, Primary) postings and bed side clinics, etc.

(2) INTERNAL ASSESSMENT

- (i) It shall be based on day to day assessment, evaluation of student assignments, preparation for seminars, clinical case presentations etc.
- (ii) Regular periodical examinations shall be conducted throughout the course.
- (iii) Day to day records will be given importance during internal assessment.
- (iv) Weight-age for the internal assessment shall be 20% of the total marks in each subject.
- (v) Student must secure at least 35% marks of the total marks fixed for internal assessment in a particular subject in order to be eligible to appear in final examination of that subject

GENERAL INFORMATION/INSTRUCTIONS/GUIDELINES FOR ADMISSIONS RELATED TO MBBS

[A candidate applying for admission to MBBS in Jamia Hamdard may also apply to other courses in various faculties including the B. Pharm., BUMS and other UG courses (Biological Science group only) by duly indicating their order of preferences in online application form. Admission shall be made on the basis of AIPMT Score/Rank in 2016]

Note: The information/instruction as well as guidelines as given herein below are exclusively and specifically meant for admission to M.B.B.S. Program of study offered by HIMSR other than M.B.B.S. shall be governed by the General Guidelines of the University.

1. The applicants are advised to read carefully the contents of this Information Bulletin & Prospectus and familiarize themselves with the relevant rules governing the Admission in Jamia Hamdard before filling up the form. They should also carefully check all the eligibility criteria for MBBS programme.
2. If a candidate is not fulfilling the eligibility criteria on the date and time of admission, he/she shall not be granted admission in MBBS, even if he/she has valid Score / Rank in the AIPMT 2016 conducted by CBSE and his/her name is mentioned in the selection list for admission to the course.
3. Application Form of candidate whose qualifying examination is not recognized by Association of Indian Universities or MCI or by this University shall not be considered for admission.
4. The admission shall be provisional and shall be subject to the verification of the certificates/

- documents of the candidates. If the same are found to be fabricated/ mutilated/ forged etc. then the University shall have the right to cancel such admission and shall be at liberty to take any other action as deemed fit in accordance with Law, including criminal action. The candidate would further forfeit the complete fee deposited by him/her till that date.
5. Any omission/error on the part of the University in preparing the merit/admission list, detected during admission process or thereafter shall be liable to be rectified and no candidate shall claim any right for admission/ continuance of admission (if admitted).
 6. All the intimation regarding admission in MBBS course shall be displayed on the University website of Jamia Hamdard viz. <http://www.jamiahamdard.edu> and no separate intimation shall be given to individual candidate. The candidates seeking admission are required to see the website of Jamia Hamdard regularly. The University shall not be responsible if a candidate fails to get/ access information regarding his/her selection/admission for any reason whatsoever.
 7. Displaying list of selected candidates on the website/University notice board in itself does not confer any right to a candidate to claim admission.
 8. The University takes no responsibility for any delay in e-mail transmission through website of intimation/ selection list etc. or any other communication related to admission.
 9. Any amendments, made in the Admission Rules or in the eligibility criteria from time to time, shall be binding on all the candidates seeking admission and/or admitted to MBBS course in the University and the same shall be displayed on the University website, which would be construed as notice to all candidates.
 10. If it is discovered at any stage that a candidate has made a false representation or used fraudulent means for admission or that he/she does not fulfill the eligibility requirements, he/she will not be allowed to complete admission formalities or if admission has been granted to such candidate, the same shall be liable to be cancelled at any stage, besides initiating appropriate legal proceedings if required.
 11. A vacancy, created due to withdrawal/cancellation of admission shall be filled up by the candidate next in the respective merit list who has applied in Jamia Hamdard, provided the candidate next in the merit list fulfils the eligibility conditions etc. as laid down herein. This procedure would be valid till the closure of admission but not later than 30th September of the relevant academic year.
 12. The Candidate should satisfy himself/ herself that he/she fulfils the eligibility criteria in terms of educational qualifications, age, or any other eligibility conditions etc.
 13. For admission to MBBS Programme, the candidates getting Result-awaited/ Supplementary/ Compartment/ Essential Repeat in the qualifying examination, on the date of admission, will not be admitted and his/her claim for admission shall stand forfeited without any notice.
 14. No candidate is allowed to pursue two regular courses simultaneously in one academic year.
 15. No employee of any government/public or private sector organization shall be admitted unless he/she submits a Leave Sanction Order with No Objection Certificate from the competent authority, covering the entire/required duration of the course to which he/she is seeking admission.
 16. Dual attendance at any stage will not be permissible.
 17. For admission the candidate has to produce for verification his/her original mark sheets and documents to fulfill the eligibility condition at the time of admission. No relaxation will be made in this regard.
 18. A candidate, not reporting for admission on the date and time as stipulated, shall forfeit his/her claim for admission and no further correspondence in this regard will be entertained.
 19. Candidates not selected for admission shall not be informed. In the event of non-selection, his/her Application Form/Form Fees/Photocopies of the attached certificates/Documents (if any) shall not be returned.

20. A candidate already enrolled in any of the programmes of study/class of Jamia Hamdard will be required to get his/her admission cancelled from the programme he/she is pursuing in this University to be eligible for admission to MBBS programme.

21. Candidates are required to produce the original mark sheets/certificate of qualifying examination and other necessary documents and submit attested copies of the same at the time of reporting for admission and while completing the admission formalities.

22. Application Form shall be liable to be rejected in case:

- The application is submitted without Application Form fee and /or Photograph.
- Printout of Application Forms received after the last date of submission of the Forms as prescribed.
- Paying of the requisite fee with lesser amount.
- Furnishing wrong or incomplete information in any manner

No further correspondence/communication shall be entertained in this regard. Applicant is advised to ensure that his/her Application Form is correctly filled and complete in all respects.

23. Only applications submitted online on Online Admission Portal 2016 on Jamia Hamdard website shall be accepted.

Canvassing for admission in any form by a candidate would lead to rejection of his/her application for admission.

24. The candidate once admitted shall be governed by the rules and by-laws of MCI and Jamia Hamdard.

25. Ragging is strictly prohibited. Offenders will be dealt in accordance with the prescribed laws.

A. As per direction of the Hon'ble Supreme Court of India, the Government has banned ragging completely in any form inside and outside the campus and all the Jamia Hamdard authorities are determined not to allow any form of ragging. Whosoever directly or indirectly commits, participates in, abets or instigates ragging within or outside any of the campus of Jamia Hamdard shall have an FIR lodged against him/her and he/she will be suspended or rusticated from the institution and shall also be liable to be fined which may extend to Rs. 10,000/- In case the applicant of admission is found to have indulged in ragging in the past or if it is noticed later that he/she has indulged in ragging, the punishment may include suspension from attending the classes, withholding/ withdrawing fellowship/ scholarship and other financial benefits or withholding the result or admission can be refused or he/she shall be expelled from the University.

B. The candidates as well as their parents, at the time of admission of the students to the institute, will be required to furnish an undertaking in the form of an affidavit that the candidates will not indulge in any form of ragging.

26. Entire Jamia Hamdard is **NO TOBACCO CAMPUS**. Smoking in the Campus is an offence.

27. Admission completed in a particular category will not be transferred to any other category (until and unless eligible for that category as per rules of the University). For example, a student admitted under Management category quota seat will not be transferred to general category until and unless he/she is eligible for General category as per rules of the University and MCI.

28. Admission to MBBS course will be provisional subject to renewal of the course by the concerned statutory council, that is, MCI.

29. Any amendments, made in the Admission Rules or in the eligibility criteria by the concerned statutory council (MCI) from time to time, shall be applicable to applicants seeking admission or admitted in HIMSR.

30. Since admission to MBBS is based on AIPMT Score/Rank, filling of Registration No. and Roll No. of AIPMT test examination (conducted by CBSE) in the Jamia Hamdard Application Form is essential. If any candidate does not fill his/her Registration No. and Roll No. of AIPMT in Jamia Hamdard application form then his/her candidature for MBBS course may not be considered.

31. In case of any clarification, explanation the MCI Rule shall prevail.

32. All the matters of dispute shall be subject to Delhi jurisdiction only.

PARENTS/ GUARDIANS MAY PLEASE NOTE:

1. Once your ward is admitted in Jamia Hamdard, please discuss with him/her the rules and bye-laws governing MBBS programme.
2. To appear in the sessional/annual/semester examination 75% attendance in all the course subjects is compulsory. Please impress upon your ward to communicate his/her attendance to you at the end of each term.
3. At the end of every academic session, please check the mark sheet of your ward and acquaint yourself with his/her performance.
4. Parents are advised to visit Jamia Hamdard website <http://www.jamiahamdard.edu> regularly for important notices etc.

The cost of single Application Registration Form for MBBS:

Category	Application fee (Rs)
MBBS (General, Unreserved and Reserved categories)	1,200/-
MBBS (Management category)	6,000/-

Selection procedure for programs of study – Department of Paramedical Sciences

Since its inception in 2001, this Department has been providing training in under direct care & supervision of medical professionals so that students may explore to create, to challenge, and to lead in today's technology intensive and patient driven healthcare environment. Students are trained in special skills like English communication, computer skills, medical ethics and personality development. Curriculum is prepared as per the national & international standards by the eminent faculty. Hands-on practice is provided in real hospital settings under the direct supervision of medical

fraternity, all through the course. Special training program in various hospitals, besides HAH Centenary Hospital, is provided at the end of some of the courses.

(i) B.Sc. Medical Laboratory Techniques (BMLT)

Duration: 4 years (Six semesters + I yr compulsory internship)
Seats: 30 (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.

(ii) B.Sc. Emergency & Trauma Care Techniques (BETCT)

Duration: 4 years (Six semesters + I yr compulsory internship)
Seats: 25 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.

(iii) B.Sc. Optometry (BOPT)

Duration: 4 years (Six semesters + I yr compulsory internship)
Seats: 25 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.

(iv) B.Sc. Medical Imaging Technology (BMIT)

Duration: 4 years (Six semesters + I yr compulsory internship)
Seats: 25 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.

(v) B.Sc. Operation Theatre Techniques (BOTT)

Duration: 4 years (Six semesters + I yr compulsory internship)
Seats: 25 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.

(vi) B.Sc. Medical Record & Health Information Management (BMR & HIM)

Duration: 4 years (Six semesters + I yr compulsory internship)
Seats: 25 seats (Inclusive of seats reserved for NRI/Sponsored candidates); Additional seats are available for foreign national.

(vii) B.Sc. Cardiology Laboratory Techniques (BCLT):

Duration: 4 years (Six semesters + I yr compulsory internship)
Seats: 25 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.

(viii) B.Sc. Dialysis Techniques (BDT)

Duration: 4 years (Six semesters + I yr compulsory internship)
Seats: 25 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national)

Eligibility and selection procedure for the above mention courses offered by the Department of Paramedical Sciences, BMLT, BETCT, BOPT, BMIT, BOTT, BMR & HIM, BCLT, BDT shall be as under

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry

and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and secured at least 50% marks in the aggregate.

- Appeared AIPMT (All India Pre Medical Entrance Test) 2016 for MBBS conducted by CBSE.

Selection procedure: On the basis of merit through AIPMT 2016 conducted by CBSE for MBBS programme, among the candidates, who apply for admission to BMLT, BETCT, BOPT, BMIT, BOTT, BMR & HIM, BCLT, BDT Degree Courses in Jamia Hamdard through Online Jamia Hamdard Application Form.

Non AIPMT candidates may also apply. Although AIPMT candidates will be preferred, non-AIPMT applicants may be considered on the basis of merit in qualifying examination-cum-interview. The weightage of interview shall be 15%.

Lateral Entry admissions – B.Sc. in Medical Laboratory Techniques (BMLT), B.Sc. in Optometry (BOPT), B.Sc. in Medical Imaging Technology (BMIT), B.Sc. in Operation Theatre Techniques (BOTT), B.Sc. in Medical Record & Health Information Management (BMR & HIM), B.Sc. in Cardiology Laboratory Techniques (BCLT), B.Sc. in Dialysis Techniques (BDT) 3rd Semester, through Lateral Entry.

Duration: 3 years (4 Semesters + 1 yr compulsory internship)

Seats: 10 seats each in BOPT, BMR&HIM, BCLT, BOTT and BDT
15 seats in BMIT
20 seats in BMLT

(Seats inclusive of seats reserved for NRI/Sponsored candidates; additional seats are available for foreign nationals)

Eligibility for Lateral Entry in BMLT, BOPT, BMIT, BOTT, BMR & HIM, BCLT and BDT

1. A candidate must have passed a two years Diploma in respective course (after 10 +2) with 50% marks in the aggregate or 3 years Diploma after 10th examination from science stream, except for DXE where the student is eligible to apply for BCLT and BMIT both.

2. Liberal transfer credit system:

A student who has passed with 60% marks each in at least two of the subjects mentioned below can take admission in lateral entry of any of the degree programmes after fulfilling the selection procedure provided he/she agrees to attend the requisite classes to complete his/her credit hours and successfully clears the first and second semester examination of the related program by the end of 3rd and 4th semester; Anatomy, Physiology, Biochemistry, Pathology, Microbiology, Physics, Maths, Chemistry.

Selection procedure: For admission to BMLT, BOPT, BMIT, BOTT, BMR & HIM, BCLT, BDT Lateral Entry 3rd Semester Degree Courses will be made on the basis of merit determined by marks obtained in the respective Diploma course and/or interview.

Inter-transfer in Paramedical programs

Interchange of number of vacant seats between lateral entry and regular seats at entry point within a specific program is possible, subject to the approval of the competent authority.

Diplomas in paramedical sciences

(i) Diploma in X ray & ECG Techniques (DXE)

Duration: Two years (Four Semesters)

Total Seats: 15 seats (inclusive of seats reserved for NRI/Sponsored candidates); (Additional seats are available for foreign nationals.

(ii) Diploma in Operation Theatre Techniques (DOTT)

Duration: Two years (Four Semesters)
Seats: 15 seats (inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign nationals.

(iii) Diploma in Dialysis Techniques (DDT)

Duration: Two years (Four Semesters)
Seats: 15 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign nationals.

(iv) Diploma in Medical Record & Health Information Management (DMR&HIM)

Duration: Two years (Four Semesters)
Seats: 15 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign nationals.

Eligibility for Diploma courses (DXE, DOTT, DDT, DMR & HIM) –

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and secured at least 45% marks in the aggregate.
- Appeared in the Interview conducted by Jamia Hamdard.

Selection Procedure: Admission to all Diploma courses in Jamia Hamdard shall be made through merit in the qualifying examination-cum-interview. The weightage of interview shall be 15%.

If seats are available in DMR&HIM, candidates from non-sciences streams with at least 45% marks in the aggregate of subjects of Senior Secondary (12th Standard/Intermediate) are also eligible.

Selection procedure for programs of study – Department of Rehabilitation Sciences

This Department is in existence since 1998 and with the help and active support of Hamdard Institute of Medical Sciences and Research and associated Centenary Hospital and other approved hospitals of Delhi impart training of International standards to students. Consequently, the job availability to pass-out students has been very good and alumni of this Department are holding responsible positions in India and abroad.

Please note that the candidates who have obtained degree in BPT and BOT from distant mode are not eligible for Post Graduate courses in Physiotherapy and Occupational Therapy.

Undergraduate programs in Rehab Science

(i) Bachelor of Physiotherapy (BPT)

Duration: Four years (8 Semesters) + compulsory internship of six months
Seats: 30 (Inclusive of seats reserved for NRI/Sponsored candidates) Additional Seats are available for Foreign Nationals.

Eligibility: A candidate must have:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto securing at least **50%** marks in the aggregate and also in the aggregate of Physics, Chemistry and Biology.
- Appeared in AIPMT (All India Pre Medical Entrance Test) 2016 (conducted by CBSE) for MBBS.

Selection procedure: On the basis of merit through AIPMT 2016 conducted by CBSE for MBBS programme, among the candidates, who apply for admission to BPT Degree Course in Jamia Hamdard through online Jamia Hamdard Application Form.

Non AIPMT candidates may also apply. Although AIPMT candidates will be preferred, non-AIPMT applicants may be considered on the basis of merit in qualifying examination-cum-interview. The weightage of interview shall be 15%.

(ii) Bachelor of Occupational Therapy (BOT)

Duration: Four years (8 Semesters) plus compulsory internship of six months
Seats: 25 (Inclusive of seats reserved for NRI/Sponsored candidates). Additional Seats are available for Foreign Nationals.

Eligibility: A candidate must have:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto securing at least 50% marks in the aggregate and also in the aggregate of Physics, Chemistry and Biology.
- Appeared in AIPMT (All India Pre Medical Entrance Test) 2016 (conducted by CBSE) for MBBS.

Selection procedure: On the basis of merit through AIPMT-2016 conducted by CBSE for MBBS programme, among the candidates, who apply for admission to BOT Degree Course in Jamia Hamdard through Online Jamia Hamdard Application Form.

Non AIPMT candidates may also apply. Although AIPMT candidates will be preferred, non-AIPMT applicants may be considered on the basis of merit in qualifying examination-cum-interview. The weightage of interview shall be 15%.

Postgraduate programs in Rehab Science

(i) Master of Physiotherapy (MPT) – Cardiopulmonary / Neurology / Musculoskeletal / Sports

Duration: 2 Years (4 Semesters)
Seats: 05 in each discipline (Inclusive of seats reserved for NRI/ Sponsored candidates in each discipline); additional Seats are available for Foreign Nationals.

Eligibility: A candidate must have:

- Bachelor of Physiotherapy (BPT) from an institution recognized by Jamia Hamdard or university/ institute approved by the UGC, securing at least 50% marks in the aggregate. The BPT course should be recognized by Delhi Council of Physiotherapy and Occupational therapy.
- Candidates who have obtained degree in BPT from distant mode are not eligible for Post Graduate courses in Physiotherapy.
- Appeared in the Entrance Test conducted by Jamia Hamdard.

Selection Procedure: An Entrance Test will be conducted. The question paper will comprise of questions on basic sciences and physiotherapy subjects taught at BPT level.

(ii) Master of Occupational Therapy (MOT) – Musculoskeletal / Paediatrics

Duration: Two Years (4 Semesters)

Seats: 06 in each discipline (Inclusive of seats reserved for NRI/ Sponsored candidates in each discipline). Additional Seats are available for Foreign Nationals.

Eligibility: A candidate must have:

- Bachelor of Occupational Therapy (BOT) from an institution recognized by Jamia Hamdard or University/Institute approved by UGC, securing at least 50% marks in the aggregate. The BOT course should be recognized by Delhi Council of Physiotherapy and Occupational therapy.
- Candidates who have obtained degree in BOT from distant mode are not eligible for Post Graduate courses in Occupational Therapy.
- Appeared in the Entrance Test conducted by Jamia Hamdard.

Selection Procedure: An Entrance Test will be conducted. The question paper will comprise of questions on basic sciences and occupational therapy subjects taught at BOT level.

M. Sc. in Medical College

Programs and selection procedure

(i) M.Sc. Medical Microbiology

Duration: 3 years (2 years for MBBS degree holders, who will be eligible for direct admission to 3rd Semester, 2nd year)

Seats: 5

Eligibility: The candidate must have passed Bachelor degree (Life sciences)/MBBS/BDS/BPT with atleast 55% marks in aggregate, and appeared in Entrance Test and / Interview conducted by Jamia Hamdard. Candidates having MBBS will be directly admitted to 2nd year of three years MSc. In the first year, students will attend classes in their respective discipline with MBBS 1st / 2nd year students.

Selection Procedure: Entrance Test and/Interview will be conducted by Jamia Hamdard. The question paper will comprise of questions on Medical Microbiology taught in MBBS and BSc level.

(ii) M.Sc. Medical Physiology

Duration: 3 years (2 years for MBBS degree holders, who will be eligible for direct admission to 3rd Semester, 2nd year)

Seats: 5

Eligibility: A candidate must have passed MBBS or a degree course in allied Medical Sciences with Human Physiology as a major subject from a recognized university with atleast 50% marks in aggregate. Those having MBBS degree will be directly admitted to 2nd year of three years MSc. In the first year, students will attend classes in their respective disciplines with MBBS 1st year students. Candidates shall have to appear in the Entrance Test and / Interview conducted by Jamia Hamdard.

Selection procedure: An Entrance Test will be conducted by Jamia Hamdard. The question paper will comprise of questions on Human Physiology taught in MBBS and at BSc level.

(iii) M.Sc. Medical Biochemistry

Duration: 3 years (2 years for MBBS degree holders, who will be eligible for direct admission to 3rd Semester, 2nd year)

Seats: 5

Eligibility: B. Sc. in Biological Sciences with minimum 55% marks. Candidates with MBBS/BUMS/B. Pharm. will also be eligible for admission to this programme.

Selection procedure: Online applications will be invited for this program. The entrance examination and interview/GD/counseling can be clubbed with the candidates for M. Sc. Biochemistry, F/o Science.

PG Diploma in Medical College

Post Graduate Diploma in Preventive Cardiology

PG Diploma in Preventive Cardiology of 1 year duration has been started at HIMSR, JH in collaboration with **All India Heart Foundation/National Heart Institute**.

Duration: 12 months (Full time course)

Seats: 4 (One out of which may preferably be from HIMSR faculty belonging either to medicine/pediatrics/community medicine)

Eligibility: Must have passed MD / DNB /MRCP Medicine / Pediatrics / Community medicine.

Selection Procedure: Admission will be made through entrance test/interview or both.

PhD at HIMSR

Hamdard Institute of Medical Sciences (HIMSR) offers PhD in following disciplines:

- ❖ Medical Microbiology
- ❖ Medical Physiology
- ❖ Medical Biochemistry
- ❖ Pathology
- ❖ Pharmacology
- ❖ Medicine

Duration: Minimum 3 yrs for MSc and 2 yrs for MD degree holders, and 5 yrs for MBBS holders.

Eligibility: A candidate must have passed M.Sc. or MD in relevant subject from a recognized medical college/university with at least 55% marks in aggregate. For MSc degree holder - qualified NET-JRF/ NET-LS etc as mentioned in the 'Procedure for Admission to PhD Program'. For MBBS holders – (i) Minimum 60% marks in MBBS, in aggregate, (ii) Evidence of research by way of publications, and (iii) Minimum one year service in concerned department as demonstrator

Selection procedure: As per the 'Procedure for Admission to PhD Program' in JH

Foreign students possessing the essential qualifications will have to qualify an online test (Aptitude for the subject and English proficiency) before they are granted admission to PhD program.

For admission to various programs in this Faculty,

Please visit Online Admission Portal at www.jamiahamdard.edu
or www.jamiahamdard.ac.in
