

# Rufaida College of Nursing

Rufaida School of Nursing was established in 1983 in order to popularize this noble profession of Nursing amongst Indian Muslims. The School of Nursing was upgraded into a College of Nursing in 1994. Over a period of more than three decades many batches have graduated from the Faculty and today the Faculty of Nursing attracts students from all over the country. The facilities available at hospitals of the university and others hospitals in Delhi and community health centres are utilized for teaching and practical training of students. The Faculty maintains a Health Care Centre for the under-privileged in the neighbouring areas of the university. The diploma, degree, postgraduate degree and doctorate offered by the Faculty of Nursing are recognized by the Indian Nursing Council (INC). The successful graduates of the programmes get 100% employment through campus recruitment in leading hospitals and healthcare institutions. There is a great demand for our graduates to work in health care facilities internationally.
